cCarbon will be releasing multiple detailed **Analyst Notes** and long-form, data-rich **Insight Reports** throughout the year, providing timely analysis and forward-looking outlooks across markets as they continue to evolve. You can find our previously released Analyst Notes and Insight Reports here.

cCarbon will also host a lineup of live webinars throughout the year, giving members a chance to hear directly from our analysts, ask questions, and dig into what's moving markets in real time. Find upcoming webinars here.
